

DWINAL POND 4 SEASONS CLUB

ATV DIVISION NEWSLETTER APRIL 2011

Hello fellow ATV'ers!! The 2011 season is almost about to start. Our trails are closed until May 15th and we ask that you respect landowner by not driving the trails during mud season. We're working on creating a new trail map for the 2011-12 season. This year the map is created in cooperation with the Penobscot Off Road Riders and we're happy to say that over 60 business are supporting the map! We'll be distributing the maps at the clubhouse; Raymond's in Lee; town offices and various stores and businesses in the area. We'll be listing all the sponsors to the map on our website shortly.

At the last count we had over 260 miles of trails and our trail master, Lyndon Perry, is always on the lookout for opportunities to extend the trail system. We're actively trying to connect to the Chester bridge, but also see if we can work with the Lincoln club in order to hook up to the Howland trail system. Having this many trails also means a lot of work when it comes to signing, brushing and fixing trails and bridges. That's why we're scheduling a work day every 2nd Saturday of the month. Get in touch with Lyndon or mail info@dwinalpond.com to find out the details about the upcoming workday.

We'll be electing new officers at the upcoming joint division meeting, scheduled for May 2nd at 6pm. Please attend the meeting if you have the opportunity to do so. We meet every first Monday of the month at the club house on the Old Springfield Road in East Winn.

Show your support for the club and fill out the enclosed membership application form. Note: please make sure to address it to the ATV Division.
